Winter 2013 Newsletter

What an amazing year this has been for Pray Georgia! The Lord has led us on some exciting adventures during 2013. At the 2012 year end HAPN leadership meeting held in Oklahoma City I felt the Lord was about to bring supernatural acceleration to the ministry and I said to my husband, we better buckle our seatbelts we are in for the ride of our life!

We began 2013 with our first official gathering for Pray Georgia in Columbus on January 26th. We were blessed to have Apostle Vanessa Battle, President of Kingdom Culture Ministries and Wm. Hope Taylor, President of International Leadership Embassy join us as guest speakers. Holy Spirit orchestrated an open heaven where the spirit of reconciliation fell upon us all. We believe this was an initial entry point of a deep work the Lord wants to do the state of Georgia with reconciliation. The Lord also led us to implement a prophetic act with peaches where several representat

ives took the peaches back to their region and planted the pit with

the leading of Holy Spirit. The intercessor who received the directive on this act informed us that it takes approximately four years for a peach tree to bear fruit. As we were preparing for the upcoming Inauguration we knew that this act was somehow tied to the next Presidential election.

In June, we held another gathering in Savannah, Georgia. Apostle Vanessa Battle joined us again as we

felt there was more to do on reconciliation. Little did we know that the week before our gathering, it would come out in the news about Paula Deen being accused of racist. Yet again the Holy Spirit orchestrated the timing and even set it up for Apostle Battle to be included on some reconciliation meetings about this issue that made the news! During our meeting we experienced a supernatural visitation from the Lord that took us to a much deeper level of reconciliation than we had previously experienced.

In September, we were invited to come to Thomasville, Georgia to a gathering of local Intercessors. This was a powerful time of calling out those intercessors that God has chosen "For Such a Time As This!" A special thank you to David and Dale Nacinovich with Such As We Have Ministires for hosting this event.

Throughout the year we traveled as Kingdom representatives to and through several states including Georgia, South Carolina, North Carolina, Virginia, Maryland, New Jersey, Delaware, Pennsylvania, Tennessee, Arkansas, Oklahoma, Texas, Louisiana, Mississippi, Alabama and Colorado. We attended the Annual SPAN Conference, the Annual USRPN Conference and the Annual HAPN Conference. We also attended

the Head of the Year Conference at Global Spheres in September where Georgia received a prophetic word from Chuck Pierce. He said ***“Georgia, if you’re from Georgia stand up. You are the 4th state of this nation, and God says, “You’ll either break through this year, or you’re going to have some big problems in the next two years.” So from this time tonight we say, “Georgia breakthrough is on the way.” We say, “we will hear out of Atlanta that reconciliation and healing has broken out over Georgia.”*** This was the second prophetic word that Chuck had spoken in 2013 about Georgia. At the Jumping in the River Conference in June as he was prophesying about having meetings in Delaware, Pennsylvania and New Jersey, he said ***“A lot of people don’t know this but Georgia is the 4th state! We have Deborah Landwerlen here and she will be coming to them, it is important that Georgia is a part of these meetings!”*** Thank you Deborah for leading the way for Georgia!

Upon our return from the HOTY Conference we were invited to attend “Healing the Headwaters of the Nation” a tri-state event to be held in New Jersey, Delaware and Pennsylvania in October. This event was

organized as a direct result of a word Chuck had spoken at the June conference. As the fourth state to enter the original Thirteen Colonies of the Americas, we knew God was sending us on assignment to this gathering. We traveled to the North East not fully

understanding the assignment God had called us to, but knowing it was very significant. Even before it started we received the WORD this was to be “The First Continental Congress of the Apostolic Counsel of the Kingdom of Heaven”. The first night we gathered in New Jersey the spirit of the Lord was powerful! Chuck Pierce released a word that “A new move of God was being released. It was not a prayer movement or a church movement, but a Kingdom Authority movement!” That night he prophesied over Georgia and released the following word: ***“I heard the Lord say Georgia will cast the deciding vote in the next presidential election.”*** He also said ***“You will see Atlanta come into the news. The Lord says there are four cities in Georgia that I will put into the news where I will put the eyes of the nation upon it. And I am going to cause a new move of my***

Spirit to begin. Do not be afraid of the closed door. I can go behind closed doors and I can show up. Decree to the closed doors God is coming in and the Spirit of God is coming!” Dr. Judy Massey and her husband, Father Paul Massey were with us at this meeting and Chuck released the new move of God into them as representatives to bring it back to Georgia. Chuck instructed the Pray Georgia team to take the next 40 days to seek the counsel of the Lord as how to gather the army and communicate this new move of God. On the third day of the conference the Lord supernaturally downloaded a prophetic act that He wanted us to do

when we presented the gift, a gavel, we had brought to the hosts of the conference. That afternoon Holy Spirit gave us a declaration to reenact the reading and voting in of the

Preamble of the Constitution of the United States. We were to Release and Decree at the First Continental Congress of the Apostolic Counsel of the Kingdom of Heaven over these United States of America a return to the principals we were founded on and a repair to the breach that had been broken. We were honored to have been representatives of this great state for The United States of America as God's Government was newly declared for the New Kingdom movement that was released during these meetings.

Upon returning from this event, as instructed by the Prophet of the Lord, the Pray Georgia Leadership Team and various others prayed and sought the Lord for His directives and strategies for the next 40 days. We gathered on December 13th in Columbus, Georgia to share what we had heard from the Lord and to seek collective wisdom on how we move forward and what Holy Spirit would have us to do to bring fulfillment to these prophetic words that have been spoken over our state. It was a powerful time where Apostles and Prophets came together with Intercessors to listen and strategize as we decreed and declared in the Courtroom of Heaven the manifestation and establishment of His will in our state and in our nation. Another Holy Spirit orchestrated Karios time! There were 10 people meeting on the 10th day of the 10th Month (Hebrew Calendar) on 10th Street. If that is not enough to make you say WOW! We received several scriptures

including: Genesis 18:32 - Then he said, "May the Lord not be angry, but let me speak just once more. What if only ten can be found there?" He answered, "For the sake of ten, I will not destroy it." As we further process the transcript from this meeting, look for more information on this.

During 2013 we participated in several initiatives for both HAPN and USPRN including The New Birth of Freedom Initiative where we divorced the Spirit of Baal and decreed the Spirit of Life over all the abortion clinics in our state and The Freedom 21 Initiative where we interceded against Human and Sex Trafficking. We also partnered with James Nesbitt and Quantum Worshippers to pray over the headwaters and rivers in our state and Capitol Prayer Partners for a Night Watch Assignment over the Nation.

This past year has been a time of organization for Pray Georgia. In August, I appointed an Executive Leadership to serve alongside of me. The Executive Leadership Team prays to receive wisdom and strategies for direction and is also intentional about developing relationships with leaders and other ministries across

Dallas

the state. **Dr. Dallas Eggemeyer** serves as the State Executive Lieutenant General for Pray Georgia and provides oversight to mobilization and special ops units. **Charleen Ray** serves as the State Executive Major

General and provides oversight to the spiritual mapping units. These two ladies come to Pray Georgia with years of experience in ministry and intercession and I am so very thankful for the Aaron and Hur that Lord has appointed for such a time as this! Our first order of business was to develop an organizational structure for casting vision and identifying and placing those into leadership throughout the state. We then began to pray about filling those positions. In October, **Dr. Judy Massey** agreed to accept the position of Equipping & Training, Brigadier General for Pray Georgia. Judy comes to us with decades of knowledge of

Charleen

Judy

being involved in the prayer movement and will provide oversight and development to our placement and

training programs. We are excited about the depth and experience Judy brings to the team. The Lord began speaking to us about a Lead Intercessor to pray for the

Esther

Executive Leadership Team and brought us an Esther! For Such a Time as This!!! In November, **Esther Tubbs** agreed to accept the position of Lead Intercessor, Brigadier General for Pray Georgia.

Esther serves as the chief intercessor for the Executive Leadership Team and provides development and oversight to and I2 Intercessory Team for all Pray Georgia Leadership. I am blessed to have this team of highly competent leaders to walk with me as we lead Pray Georgia to take back what the enemy has stolen for the destiny of our state and our nation. To each of them and their families, I want to say thank you for your servant spirit. Without them and without a network of intercessors there would be no ministry. I am eternally grateful for and the Triumphant Reserve Army He is building!

Wow, what a year it had been! God has been faithful and we are so very excited about 2014! Would you prayerfully consider sowing a seed into Pray Georgia? This past year has been primarily funded by those personally involved in leadership and we are believing God for partners to stand along side us to help fund this impactful ministry.
